

KOBAN SÜDVERS GROUP AUSTRIA

PRESS RELEASE

Top Consulting for the Austrian Market:

Koban Group Austria Gets Südvers-Gruppe Aboard

New top player on the Austrian insurance broker market: With immediate effect, the German insurance broker Südvers-Gruppe now holds 25 % of the brokerage house established by Dr. Klaus Koban und Alfred Außerlechner, Koban Group Austria. Under the name of «Koban Südvers Group Austria», the future partners build on extensive expertise in the industrial and commercial business as well as on international know-how. Dr. Klaus Koban and Alfred Außerlechner will continue to act as managing directors, and Florian Karle will be responsible for international business. Currently Koban Südvers Group Austria comprises 60 employees, the premium volume amounts to 35 Mio. Euro and the business volume to some 5 mio. Euro. The two Vienna offices will merge together. The new Group will serve clients out of 5 locations in Austria.

SÜDVERS is one of the leading german insurance brokers and has 290 staff and has grown up to 218 Mio. Euro premium. SÜDVERS is one of the founding members of WBN - Worldwide Broker Network. With 72 members in 60+ countries WBN is one of the largest independent insurance broker networks around the globe. WBN's world-wide premium is 26 Billion US\$.
